

# ***La Ventana at Willow Pond***

## ***April 2019 Newsletter***

### ***2nd Quarter Assessment Reminder***

**Please remember that your second quarter assessment of \$175.00 was due on April 1<sup>st</sup>.**

Payments received after today, the 30<sup>th</sup> of April will be assessed a \$10.00 late fee. In addition, any account with a balance at the end of the month incurs interest (January through December). What this means is that the payment needs to be received before the end of business today, the 30<sup>th</sup> of April in order to avoid the late fee and the application of interest. All homeowners receive a 30-day grace period for your payments each quarter. However, all payments **are due on the 1<sup>st</sup> day** of the quarter. If you have any questions or concerns regarding your account balance or how to make your assessment payments, please contact the management office.

### ***Tax Information***

The accounting firm, Cole & Associates, recently completed the Association's taxes for 2018, and a copy is available for your review. The Statement of Cash Flow for 2018 is also available at this time. If you would like to review these documents, please contact our management office by phone at 407-251-2200 or by email at [info@dwdpm.com](mailto:info@dwdpm.com) to make your request.

Also, please be aware that the approved 2019 budget for the Association is available on the website, [www.laventanaatwillowpond.com](http://www.laventanaatwillowpond.com).

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, [www.laventanaatwillowpond.com](http://www.laventanaatwillowpond.com). Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

### **Board of Directors**

**President:** Sherman Markowitz

**Treasurer:** Teresa Valentine

**Secretary:** Daniel Martinez

**Director:** Magaly Quinones

**Director:** Dawn Walton

## *Suggested Security Measure*

---

The Board would like to remind residents to turn on front/back patio lights and garage lights as an added security measure each evening. Burglars do not like to be seen, therefore, leaving these lights on at night helps prevent these types of crimes.

## *Please Pick-Up After Your Pets and Dispose of Waste Properly*

---

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well.

The Board recently found that residents are disposing of dog waste bags in the storm drains of the community. Dog waste is a hazardous substance and spreads illnesses to others. Placing dog waste in the storm drain is unsanitary and is not permitted. Please refrain from this practice and dispose of waste properly. Thank you for your understanding and cooperation in this matter.

## *Reporting Street Light Outages*

---

If you notice a street light out on your street, please call Duke Energy at 407-629-1010 to report the street name or section where the light is located. You may also visit the following website to report the outage: <https://www.duke-energy.com/customer-service/request-light-repair>.

Please contact the management office if you need assistance or if you have any questions.

## *Monthly Property Inspections*

---

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible

structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.

- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area
- 7) Roofs with mold or broken/missing shingles
- 8) Parking in the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection.

Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding this matter.

### ***Please Secure Valuable Items***

---

Please make sure your cars are locked at night, and that all valuables that do not have to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Orange County Sheriff's Department at (407) 836-4357. Thank you.

### ***Architectural Changes (Exterior Modifications)***

---

It has come to our attention that some homeowners are not familiar with the steps of the Architectural Review process. That is quite understandable. We would like to take this opportunity to help anyone in our community better understand this process. If you are going to make any changes to the front of your property, including landscaping changes, or if you intend to make any structural changes to your property (i.e., room additions, pools, screen enclosures), then you will need to fill out the Architectural Review Committee (ARC) application.

These applications will always be available on your community's website and they are included in the monthly newsletter (please see the form below). Please follow the instructions on the form and submit all of the required documents for your requested change. When you are submitting an application to the ARC, remember to include the following:

1. Two (2) copies of the property survey that show the location of the proposed changed, alteration, renovation or addition.
2. Two (2) drawings of your plan(s).
3. Two (2) copies of color samples, if applicable.

Please note that applications submitted by fax or without two (2) copies of the survey, drawing, or color sample will be considered incomplete. If an application is incomplete, it will not be processed and will be returned to you.

If you have any questions, please call us at 407-251-2200, and we will be happy to assist you. Also note that management does NOT approve or deny any of these requests. We collect the applications and then submit them to the community's Architectural Review Committee (ARC). The ARC is a group of volunteer homeowners who review the applications and approve or deny the applications based on your community's written criteria (the architectural guidelines). Per Florida Statutes, this process may take up to 30 days.

As soon as the Committee makes a decision, we will mail you the letter of approval or denial. Please make sure you do not proceed with any improvements until you have heard from the Committee. I hope this helps everyone understand the Architectural Review process a little better. If this still leaves you with any questions, please feel free to contact our management office.

## ***Parking Regulations***

---

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association's documents in Article VI, Section 8, "No motor vehicle shall be parked in the Subject Property except on a paved or concrete driveway or in a garage. **Parking on lawns or landscaped areas is prohibited.** Parking of any motor vehicle of any kind on streets overnight is prohibited." The Board requests that all residents follow these regulations for the safety and well being of our neighborhood. When several cars park in the street, it is difficult for emergency vehicles and waste removal trucks to get through.

The Board requests your cooperation by parking in your garage or driveway. In addition, please remember that **you may not block the sidewalk with your vehicle.** Residents must have the ability to use the sidewalks without any impediment from parked cars. Finally, please remember that the roads in our community belong to Orange County, and any violations to the County's parking rules must be referred to the County for enforcement. Thank you for your assistance in this important safety matter. If you have any questions or concerns, please feel free to contact the management office.

## ***Pool Rules***

---

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when maintenance personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

The HOA will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is

considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

### *Off-Duty Sheriff's Deputy Patrols and Suspicious Activity*

---

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.** Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass, people with water balloons in the pool area, etc.), please call DWD Professional Management to address these concerns. Thank you.

### *Please Do Not Fish in the Ponds*

---

It has been observed that some of the residents are fishing in the ponds surrounding the community. This is strictly prohibited. Eating the fish from these ponds is not healthy for several reasons. First, most of the fish in the drainage ponds around Central Florida are genetically modified carp. They have been bred so that they are sterile and cannot breed if they escape the pond and enter other waterways around the area. Another reason you should never eat the fish from these ponds is that these ponds are designed for the drainage of water off of the roads in the area. These waters are polluted with motor oil, radiator fluid, transmission fluid, brake fluid and any other fluid that may leak from a vehicle. Even if you plan to "catch and release" the fish, you are on private property and do not have the Association's or the County's permission to fish on the property. The insurance policy for our community does not cover any accidents that may occur from these types of activities. Finally, these ponds may contain dangerous wildlife such as poisonous snakes or alligators. Therefore, for your safety, please obey the "No Fishing" signs and refrain from fishing in the community's or the County's ponds.
