Architectural Changes

If you need to repair and/or replace your roof or make other architectural changes to the exterior of your home, you must first have these changes approved by the La Ventana at Willow Pond Architectural Review Committee (ARC).

The ARC application form is included with this newsletter and may also be found on the La Ventana website, www.laventanaatwillowpond.com. Please fill out and return the form to the management office at your earliest convenience. Please include the survey of your property and/or samples of the proposed change as requested on the application (i.e., a fence installation requires a property survey and replacing the roof requires shingle samples). The Architectural Review Committee will expedite these applications if the exterior changes required are due to hurricane damage. However, please be aware that the Board has 30 days to review the application per Florida Statute. If you have any questions or concerns regarding this process, please call or email the management office at 407-251-2200 or info@dwppdm.com.

Parking Regulations

The Board would like to remind all residents regarding the parking regulations for our community. According to the Association's documents in Article VI, Section 8, "No motor vehicle shall be parked in the Subject Property except on a paved or concrete driveway or in a garage. **Parking on lawns or landscaped areas is prohibited.** Parking of any motor vehicle of any kind on streets overnight is prohibited." The Board requests that all residents follow these regulations for the safety and well being of our neighborhood. When several cars park in the street, it is difficult for emergency vehicles and waste removal trucks to get through. The Board requests your cooperation by parking in your garage or driveway. In addition, please remember that **you may not block the sidewalk with your vehicle.** Residents must have the ability to use the sidewalks without any impediment from parked cars. Finally, please remember that the roads in our community belong to Orange County, and any violations to the County's parking rules must be referred to the County for enforcement. Thank you for your assistance in this important safety matter. If you have any questions or concerns, please feel free to contact the management office.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Several homeowners have contacted us to complain about the pool's hours of operation. They feel that they should be able to use the pool at hours that are more flexible. However, the La Ventana at Willow Pond HOA owns the pool, not the individual homeowners at La Ventana. Since the pool is not owned by individual homeowners, it is considered a commercial pool and the HOA must abide by the State guidelines.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when maintenance personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

The HOA will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is

(Pool Rules continued)

considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Please Pick-Up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the "parent" and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. **Your pet must be on a leash at all times, and any pet waste MUST be picked up and disposed in a waste receptacle.** This is not only a community rule; it is an Orange County ordinance as well.

Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.

Off-Duty Sheriff's Deputy Patrols and Suspicious Activity

Your community is patrolled several days per month by an off-duty Orange County Sheriff's Deputy. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in communities we manage in Meadow Woods. If you see the deputy on patrol, and if you have noticed any suspicious activity, please stop the deputy and talk with him regarding your concerns. You should also call the Orange County Sheriff's Department at (407) 836-4357 to report suspicious or criminal activities. **The Sheriff's Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach and stop these people and their activities.**

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass, people with water balloons in the pool area, etc.), please call DWD Professional Management to address these concerns. Thank you.

Monthly Property Inspections

The community management company is tasked by the Board of Directors each month to complete an inspection of all properties within the community. Below is a list of some of the violations that they will be on the look-out for during these inspections:

- 1) Lawns that need maintenance or full replacement (weeds, dead spots, irrigation issues, etc.).
- 2) Houses that may need pressure washing or painting. Please be aware if the paint looks faded over 50% of the visible structure, if the concrete blocks are showing through the paint over 10% of the visible structure, or if there are settling cracks throughout the home that require caulking, then we will ask for the homeowner to re-paint the house.
- 3) Roofs that need pressure washing.
- 4) Fences in need of cleaning and/or repair.
- 5) Driveways that may need repairs or pressure washing
- 6) Weeds and grass in flower beds and missing mulch or stones in flower bed area

(Monthly Property Inspections continued)

- 7) Roofs with mold or broken/missing shingles
- 8) Parking in the grass
- 9) Commercial vehicles, recreational vehicles, or trailers in driveways

The community management company's staff members will inspect each property from the road in a vehicle, and they will take pictures of any violations. They will not go onto your property to complete their inspection. Please be kind to the inspectors when they are completing their monthly inspections. The staff members will always identify themselves when approached if you have questions. However, please do not approach them in a hostile or negative manner. They are there to complete a job as directed by the Board of Directors and to help the community.

If the inspectors find any problems with the exterior of your home, the management company will send you a letter notifying you of the violation. If you receive a violation letter, please feel free to contact the management company via email or by phone if you have any questions or if you need more time to correct the area of concern. The management company will work with you to make the needed improvements. Communication is very important so we can work together to maintain and improve our property values. Thank you for your cooperation regarding this matter.

Tree Trimming Reminder - Hurricane Season

The Board would like to remind all residents to trim their trees and remove all dead branches. Trimming and pruning your trees will help eliminate damage to your property in the event of a hurricane or tropical storm.
